FOR IMMEDIATE RELEASE

Lieutenant Governor Pamela Evette Factory Visit

North Charleston, South Carolina, July 24, 2020 — Life Industries Corporation, manufacturer of BoatLIFE, RVbyLIFE, and AeroLIFE, is pleased to announce that Lieutenant Governor Pamela Evette will visit the company's North Charleston factory for a reception and tour on Friday, July 31st, 2020 at 11 a.m.

The purpose of the visit is to witness operations at this woman-owned manufacturing facility in light of the COVID-19 pandemic. The company produces maintenance and cleaning supplies for marine, recreational vehicles, and aviation. When the pandemic hit, Life Industries answered the call of duty by transitioning all production to its Sanitizer line.

"We are looking forward to welcoming the Lieutenant Governor and trust she will find her visit to be both enjoyable and informative," says company president Grace Schmidt.

There will be an introduction to the management staff and factory team, a brief business overview and safety training, followed by a tour.

For additional information, please contact Maike Kowal, Marketing Director.
